The Women's Rochester District Golf Association

Dear Sponsor,

On September 22; 2026, the Women's Rochester District Golf Association (WRDGA) is hosting the Pro- Ladies Charity Golf Tournament at Irondequoit Country Club. Top women players at each member club play alongside their respective head or assistant club professional in an extremely competitive round of golf. All monies collected from this event will be donated to Harbor House of Rochester., chosen by last year's winner, Oak Hill Country Club. Harbor House of Rochester offers safe, supportive and affordable temporary lodging for families of adult patients from outside the Rochester area, who are receiving critical care at local hospitals. Their "home-away-from-home" eases the emotional and financial strain on families during a medical crisis.

This event dates to 1939 and many local charities have benefited from the generous contributions of our sponsors. Each sponsor is acknowledged the day of the tournament in the event program which is distributed to all players. The purpose of the WRDGA is to represent, promote, and serve the best interest of amateur golf as embodied in its traditions. Our objectives are to further the advancement of golf, to recognize and develop skilled amateur female golfers, and to promote good sportsmanship and friendly competition.

We appreciate your consideration and your contribution. Please return this form and your donation made out to Harbor House of Rochester, no later than **September 9 to the address below.**

Sincerely,

Barbara Lucas
WRDGA Vice President
